Coronation School staff will be enforcing a two shoe policy for our school. This means that it will be **mandatory for all students to have a separate pair of shoes for all indoor use** especially for physical education classes in the gym. The second pair of shoes can be kept in their hall locker or in their gym locker.

When buying a second pair of shoes for the gym please consider buying running shoes with a good sole for cushioning and non marking. Joint pain in growing children can be prevented with good cushioning in running shoes.
